

Photos from the **FALL 2009 MCCB Conference**, hosted by Henry Ford Community College

Our new members ~ maybe the largest group ever to attend a meeting!

It all starts at the registration table ~ the flowers were a nice touch and were given away at the end of the meeting.

The two hard-working organizers of the Fall 2009 meeting: HFCC faculty members Cindy Bida and Michael Palaski

Vendor: **Tom Shaffer** of Pearson/Benjamin Cummings Publishing Company

Vendor: Hayden McNeil Publishers

Our Continental Breakfast was sponsored by **Pearson/BC** Publishing Company

A great lunch kept the group going. **Hayden-McNeil** sponsored the lunch.

Susan Starr told us all about using Case Studies in the classroom.

Ed Kroll spread the word about his experiences teaching A&P 100% on-line

Dr. Jolie Stepaniak gave an animated talk on why and how to teach biotechnology

“The Environmental Crisis on Our Plates” was discussed by **Lourdes Lore**

Dr. Charles Jacobs filled us in on the revolutions taking place in science.

Cindy Bida introduced the Friday evening speaker, **Dr. Shrari Ravi**, who discussed Advances in Cardiology

A great meeting venue ~ the Health Careers Education Center at Henry Ford Community College (Dearborn, Michigan)
