

2020-2021 VIRTUAL ZOOM SERIES

MCCB is pleased to announce the next three sessions in our Virtual Friday Zoom Series (based on your votes). Sessions are hosted by MCCB President Heather Wesp from 3 to 4 pm and you must register at [INSERT LINK](#). Sessions are for MCCB members so if you haven't gotten around to renewing your membership for the 2020-2021 year, you can do that [INSERT LINK](#).

Online and Hybrid Teaching Strategies: An open discussion of what you've tried, especially the success stories. Each participant is encouraged to share 1-2 specific strategies. We welcome screen shares and resource sharing (via the chat function).

Friday, November 20th, 2020 from 3 to 4 pm

Biology Courses in the Future: An open discussion of what we think our classes will look like in the future, with an emphasis on lab instruction and activities. We encourage sharing of strategies for encouraging student learning as well as discussing online, hybrid, and face-to-face models.

Friday, February 12th, 2021 from 3 to 4 pm

Anatomy and Physiology: Resources and Strategies. An open discussion of what you've kept and what you've changed in order to teach A&P this past year. Each participant is encouraged to share resources, links, etc. via the chat function.

Friday, March 12th, 2021 from 3 to 4 pm
