

A Statewide Network for Biology Educators

2023 Fall Conference Pre-Registration Form

Please register and submit fees before **September 29th**

MCCB memberships may be renewed prior to or at every Fall Conference. See the membership registration form under the Membership tab (<https://mccbio.org/>) for more details or e-mail Isis Arsnoe (mccbmembership@gmail.com) if you are uncertain of your membership status. If your address or teaching status has changed, please submit updated information to Isis Arsnoe.

The Fall 2023 Conference is being held at **Montcalm Community College** on **Friday October 6th (Greenville Campus)** and **Saturday, October 7th (Sidney Campus)**. A schedule and conference details may be found in the MCCB Newsletter and at the MCCB website, <https://mccbio.org/>, under the *Conferences* tab. The website will be continually updated as new information about the conference is received.
